Mumbai, May 25, 2026: S&S Power Switchgear Limited ("S&S Power" or the "Company") today reported its consolidated financial results for the fourth quarter and full financial year ended March 31, 2026.

Key Highlights

Amt in INR Crores

	Q4 FY26	Q4 FY25	YTD FY26	YTD FY25
New Orders	67.3	76.0	314.9	303.7
Revenue	65.0	56.3	266.8	187.4
EBIDA	4.9	1.1	12.9	5.0
EPS (in INR)	1.54	(0.14)	8.19	(3.07)

S&S Power closed FY26 with a steady performance, supported by improved execution across businesses, healthy order inflows, and operational discipline. The company reported revenues of ₹266.8 crore during the year and returned to strong profitability, reflecting improvements in operational efficiencies, execution capabilities, and its continued efforts towards building a scalable engineering-led business across domestic and international markets.

Commenting on the results, Krishnakumar Ramanathan, Group CEO & Managing Director, S&S Power Switchgear said, *"S&S Power delivered a robust performance in FY 26, growing revenues by over 40% YoY, and returned to strong profitability with improved execution through people and systems. FY 26 was the first year in the three-year strategic plan to transform into a world-class engineering group focused on delivering innovative value for our customers and all stakeholders. We thank our customers for the trust and confidence reposed in us, our vendors and partners who are integral to our success, our employees for their dedication and hard work, the members of our board, and our promoters for their belief in the vision, continuous guidance, and unstinted support."*

About S&S Power
